

**Midnight Squares
General Meeting
October 16, 2011**

Ed called the meeting to order at 2:33.

Minutes of the last meeting are on the website. No corrections were submitted.

Treasurers report:

We are financially healthy and a full treasurer's report is available to members on request. We lost \$366 on the Vic Ceder dance. There has been little activity lately, but new class registrations are coming in this week.

Future Dances:

Discussion of how joint dances would take place is occurring this Tuesday with other San Francisco Gay Clubs. It was suggested that we consider joint dances and that we look into what formats would work best including:

Lower Programs building to higher programs
Higher Programs building to lower programs
Plus/Advance dances with progressive star tips
Afternoon Challenge and Evening plus advanced

Club Dancing:

No Wednesdays scheduled except 2 for the rest of the year

It was suggested that we look into the possibility of Wednesday tape dancing since callers are not available. Michael Golden will construct a survey on this issue.

Convention News:

Ed provided an update.

Bay Area Clubs:

Foggy City: new advanced class on Mondays

Western Star: Beginner class

ECR: New Advanced class on Thursdays

Quads: New Beginner class on Sundays

The meeting was adjourned at 2:58
