

Midnight Squares General Meeting July 22, 2012

Minutes on website

Treasurers Report:

Rusty summarized our current fiscal status. The details of the Treasurer's report are not printed in the minutes. We are financially healthy, a full Treasurers report available to all club members on request. Rusty pointed out that we need to monitor our cash flow as we are running at a slight deficit that will eventually have a negative impact. He also said he is developing a summary of the cost of running our classes. This will help us with future fiscal planning.

Membership Renewal:

70 have renewed their memberships. Ken is updating the database to reflect current membership.

Fall Classes:

Survey is underway. The minimum number for classes in the future was discussed

Harlan suggested a 10-12 minimum number for a class to go—enough to make the class viable

This will be a continuing discussion as we plan for Fall classes
